MAGICAL GIRL APOCALYPSE

BY KENTARO SATO

On the surface, the company was an influential pharmaceutical maker that had developed medicines for many incurable diseases. But they had also done experimentation on magical girls and illegal human experimentation. This was the place where everything started.

Once there, Kaede asked what Tonogaya intended for them to do, once they traveled to the future. He answered that they would head over to the pharmaceutical company Wahre Liebe, until the black-robed masked figure awoke with information on Tsukune.

They met up with Akuta, and later Himeji, who stated that he too had memories of the apocalypse. The group then headed to the laboratory together.

Akuta instantly attacked Himeji, but Himeji dodged his attacks with ease, even healing instantly after taking damage from Explode M's attack.

Akuta and Kii began to question: how could Himeji, who could not hear anything, have overheard and understood their conversation about remembering the apocalypse?

While Tonogaya was speaking of their plans, Akuta took Kii's gun wand and began searching among the group members for the mastermind behind the apocalypse.

Then he gathered Kii and Tsukune's bodies and headed off to the future, with the Puppet Masters in tow...

Having the ability to manipulate the time experienced for anything that he can see, Himeji sped up the recharge time of Tonogaya's time machine.

Even when Hana and Miu joined the fray, Himeji stopped them all with his oppressive level of power.

And in this volume...

Previously, in Magical Girl Apocalypse...

By using an "Icon" developed by Tonogaya Yuuji, it allows a human and an alternative magical to fuse together to form a half-human, half-alternative magical construct.

To escape this hopeless situation, the alternative magicals activated their new ability: **CONFUSION**.

Kii and his friends fell under attack from multiple Puppet Masters, who endlessly regenerated.

In order to get Miu the treatment she needed, Akuta returned to the laboratory. Once there, he heard about how Miu had come up with the idea for **CONFUSION** in order to protect Akuta from harm, and how she had personally tested it out through grueling and painful experimentation.

However, after using this ability, Miu started coughing up blood and collapsed.

After Miu and Hana fused together, they were able to stop the enemy's regeneration by slicing their foes into microscopic pieces, which led to the remaining enemies.

Yoruka, having somehow regained her memories of the apocalypse, sought out Ren. After meeting, the two of them completely regained their memories. Not knowing what was going on in this world, they sought out Kii for answers.

After leaving the laboratory, Akuta met with Puppet Master and made a bargain in exchange for the location of Tsukune's body. Yoruka would be turned into his personal sex slave. However...

ALTERNATIVE MAGICALS

They kill by emitting "magic" from their wands. Those they kill come back as zombies. Their wands are their weakness.

PUPPET MASTER

Someone possessing the power to use the abilities of any alternative magical. Himeji's servant.

HIMEJI WATARU

Kii's classmate. Could he be the mastermind behind the apocalypse?

FUKUMOTO KOTONE

Tsukune's mother. A magical girl possessing great healing power.

AKUTA RINTAROU

A perverted policeman who takes on the magical girls because of his infatuation with Yoruka. He remembers the apocalypse.

FUKUMOTO SENCHI

Tsukune's father and a surgeon. He has been called the "Hand of God." He remembers the apocalypse.

ANAI MIU

An elementary student that Kii and his companions met at a mall. Due to certain events, she is now 28. She is infatuated with Akuta.

TONOGAYA YUUI

A researcher from the future who studies magical girls. A friend of the black masked person.

SAYANO KAEDE

A high school freshman. She was killed by Kii, and she remembers the apocalypse.

HANZAWA YORUKA

A high school junior. She was killed by a magical girl during the apocalypse. She does not remember the apocalypse.

FUKUMOTO TSUKUNE

A high school freshman and childhood friend of Kii. She is a magical girl that possesses the blood of a witch.

KOGAMI KII

A high school freshman. He has been bothering with most things, but he can be reliable in a pinch. He remembers the apocalypse.

MY

APPARENTLY,
IT AWAKENS

IF WE CAN
HARNESS
THIS POWER,
IT WOULD
BE A HUGE

IT COULD
EVEN BRING

IT

ABOUT THE WITCH...

WAIT...

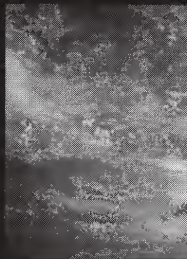

WE DON'T EVEN KNOW IF SHE'S A GOOD OR EVIL PERSON.

I SEE.

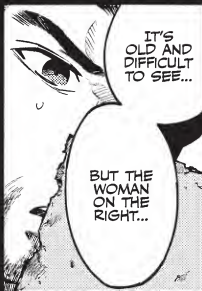

I DOUBT YOU'D BE ABLE TO TALK TO THEM DIRECTLY.

IF THAT PERSON WAS NEARBY...
